

QUABBIN REGIONAL SCHOOL DISTRICT

Serving the towns of Barre, Hardwick, Hubbardston, New Braintree & Oakham

Dear Parent/Guardian,

The Quabbin Regional School District now uses a district-wide automated notification system. The system automatically delivers telephone messages to you when there is an emergency affecting a school or district, a school cancellation, delayed opening, or dismissal, or an important announcement for the school community. This system can access only two telephone numbers per household.

We are asking that you provide us with two phone numbers for your child.

The school district does need to be able to contact you in the event of an emergency. You may opt out of this service for school cancellations, delays, early dismissals and announcements.

Thank you for your assistance in this matter. Please feel free to call the school office with any questions or problems you may be having with the One Call system.

PLEASE RETURN TO THE SCHOOL OFFICE:
